**Miss Class Act:** Her smile is contagious, as is her kindness. She is adored by not only her friends, but also her classmates, her teachers and her soccer teammates. She is one of the hardest-working students we've ever had on the Class Act team. She doesn't just put effort into her assignments; she puts in the time and thought as well. This young lady is an outstanding example of success on our team. The Class Act teachers present this award to **Emma McClellan**.

**Mr. Class Act:** There is one specific adjective to describe this student: EXCEPTIONAL. He is exceptional in all that he does here. He is an exceptional student, always giving 110% to his classwork and assignments. He is an exceptional student leader with his involvement in activities here from track to choir. He is an exceptional friend to many of his peers, with his quiet kindness and sense of humor. It was our honor to have him on our team this year. The Class Act teachers present this award to **Darin Hinshaw**.

**Class Act Humanitarian Award:** On the Class Act team there was a student who exemplified these humanitarian values all year long. His positive attitude towards his classmates, his willingness to help anyone who needed it, illustrates not only the Beaumont Colt Creed, but also his humanitarianism. To see him around school, the only indication you'd have are his t-shirts with the word "Hope" on them. These shirts reflect the organization with which he has traveled to Africa for mission trips for several summers. He worked at centers in poor areas to provide supplies, care and other resources to those in need. The Class Act teachers are proud to present **Griffin Roach** with the Beaumont Humanitarian Award.
